**Privies—Owners of Property to Provide. (Reg. Bd. of H., Oct. 28, 1915.)**

That the owner or owners of all property rented or leased shall provide at each home located on such property a sanitary privy which conforms to the requirements of the State board of health.

**NEVADA.****Communicable Diseases — Notification of Cases — Quarantine — Hospitals, Almshouses, Lying-in Places, Etc.—Personal and Statistical Particulars of Inmates. (Chap. 179, Act Mar. 22, 1915.)**

SECTION 1. Section 17 of the above-entitled act ["An act to create a State board of health, defining their duties, prescribing the manner of the appointments of its officers, fixing their compensation, making an appropriation for the support of said board, establishing county boards of health, requiring certain statements to be filed, defining certain misdemeanors, and providing penalties therefor, and other matters relating thereto," approved Mar. 27, 1911] is hereby amended to read as follows:

SEC. 17. (a) That all superintendents or managers, or other persons in charge of hospitals, almshouses, lying-in or other institutions, public or private, to which persons resort for treatment of diseases, confinement, or are committed by process of law, are hereby required to make a record of all the personal and statistical particulars relative to the inmates in their institutions at the date of the approval of this act that are required in the forms of the certificates provided for by this act, as directed by the State board of health; and thereafter such record shall be, by them, made for all future inmates at the time of their admission. And in case of persons admitted or committed for medical treatment of disease, the physician in charge shall specify for entry in the record the nature of the disease, and where, in his opinion, it was contracted. The personal particulars and information required by this section shall be obtained from the individual himself, if it is practicable to do so; and when they can not be so obtained they shall be secured in as complete a manner as possible from relatives, friends, or other persons acquainted with the facts.

(b) It shall be the duty of every attending physician to forthwith report to the local health officer each and every case of scarlet fever, smallpox, diphtheria, and membranous croup, typhus and typhoid fever, foyer and whooping cough, measles, chicken-pox, pneumonia, tuberculosis, bronchitis, acute anterior [sic] poliomyelitis, cerebrospinal meningitis, diarrheal diseases of children, cancer, puerperal septicemia, mumps, and Rocky Mountain (tick) fever, and the local health officer shall make a record thereof. Any attending physician who shall fail or neglect to forthwith report to the local health officer any case of scarlet fever, smallpox, diphtheria, and membranous croup, typhus and typhoid fever, foyer and whooping cough, measles, chicken-pox, pneumonia, tuberculosis, bronchitis, acute anterior poliomyelitis, cerebrospinal meningitis, diarrheal diseases of children, cancer, puerperal septicemia, mumps, and Rocky Mountain (tick) fever shall be guilty of a misdemeanor, and upon conviction thereof shall be punished by fine of not less than \$100 nor more than \$500, or by imprisonment in the county jail not less than 10 days nor more than 30 days, or by both such fine and imprisonment.

(c) It shall be the duty of every attending physician upon any case of scarlet fever, smallpox, diphtheria, and membranous croup, whooping cough, measles, chicken-pox, acute anterior poliomyelitis, cerebrospinal meningitis, diarrheal diseases of children, puerperal septicemia or mumps to forthwith establish
